Re: Agency: White Mountains Community College
Event: Liability Insurance

To Whom It May Concern:

The State of New Hampshire does not maintain insurance coverage for liability resulting from the general operations of White Mountains Community College. Instead, the State has elected to self-insure for this exposure. Any liability incurred by White Mountains Community College arising out of these activities would be handled as a general obligation of the State.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca M. White".

Rebecca M. White
