***Tractor Trailer Driver Training CDL-A***

*Begins March 1st Monday through Thursday 8 am – 2:00 pm, Friday 8 am – 1:00 pm*

*Cost: \$4950*

The college offers a 12-week tractor trailer, competency-based, driver training program that focuses on both classroom work and in-the-vehicle training time. After hours of driving time, plus lab, lecture, and range time, participants master a wide range of driver competencies and become safe, comfortable, confident, drivers.

Training topics include trip planning, maintaining daily logs, handling cargo, cargo documentation, employer relations, and public relations. The course covers written and practical tests. The college can provide tutoring time in the on-campus Learning Center for those who may need extra help in reading or test taking.

Students who complete the CDL A training earn a certificate of course completion and receive assistance in job seeking skills and job placement. Even though the course is currently a non-credit course, participants are graded on attendance, understanding regulations, keeping log books, pre-trip inspection, range skills, and road skills.

Training applicants must be at least 18 years old, possess a valid driver's license, and have a clean driving record. Participants who have neither a diploma nor a GED may be tested to determine reading, writing, and arithmetic grade levels. Eighth grade level is the usual minimum expectation. Additionally, **before participants can be enrolled in the program, the program director must review their driving records to determine their suitability for employment. Likewise, as a condition of enrollment, each applicant must pass a Department of Transportation (DOT) physical exam and pass a standard DOT pre-employment drug screening test.**
