2014 CRIME AWARENESS & COLLEGE SECURITY INFORMATION REPORT

The information provided herein meets the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998. It has been prepared by the Vice President for Student Affairs using statistical data and other information supplied by Campus Security, the College Safety Committee and the Behavioral Intervention Team (BIT), and police departments from the cities of Berlin, Conway and Littleton, New Hampshire. The Report is updated annually.

This report provides readers important information about the College’s safety and security policies and procedures and includes statistics about incidents of crime at White Mountains Community College (WMCC). When you review the statistics, you will note that WMCC is a safe institution. The safety you experience at the main campus in Berlin and at the Academic Center in Littleton is due in part to the combined efforts of many individuals and departments, and the close working relationship with local law enforcement. We believe safety at WMCC is a shared responsibility and we rely on every College member to contribute to security on campus by reporting suspicious activities and using common sense when going about their daily activities.

Maintaining a safe environment at WMCC is a collaborative effort of college administration, campus security, and the safety committee, who jointly are responsible for developing services, programs and strategies with the intent of keeping students, employees and guests safe at the main campus and the academic Center. In order to meet this goal, the College focuses on three important functions:

1. A strong partnership with the civil authorities and community groups in the greater Berlin and Littleton communities;

2. A focus on emergency management requiring a comprehensive approach to preventing, preparing for, responding to, and recovering from emergency situations. The College strives to be proactive when planning for and handling emergency events. These efforts are shared by the college administration and the Campus Safety Committee and,

3. Utilizing systems that allow us to enhance safety through contemporary office and classroom locking systems, and regularly scheduled practice drills.

It is our hope that you find this report informative and helpful, and that your time at White Mountains Community College is enjoyable and safe. If you have questions or would like additional information about safety and security at the College, please visit us at www.wmcc.edu or contact Martha Laflamme, Vice President of Student Affairs at mlaflamme@ccsnh.edu or 603-752-1113 x3005.
The Campus Security Act – Legal Requirements

The federal Campus Security Act requires colleges and universities to:

- Publish an annual report every year by October 1, which contains three years of campus crime statistics and certain campus security policy statements including a summary of the College’s Emergency Response policies and Evacuation Procedures.

- Disclose crime statistics for the College including public areas immediately adjacent to the main campus or Academic Center, and certain non-campus facilities or remote classrooms. The statistics are gathered from local law enforcement, the Office of Student Services & Community Affairs, Campus Facilities Services, and other College officials who have significant responsibility for student and campus activities.

- Provide “timely warning” notices of those crimes that have occurred and post notices for any ongoing threat to students and employees.

- Disclose all incidents of crime in a Public Crime Log.

The Office of Student Services & CCSNH Risk Management is responsible for preparing and distributing this report. The Vice President of Student Affairs works with departments throughout the College, Chancellor’s office, and local law enforcement in Berlin and Littleton to compile the information herein.

Each September and January, information that provides website access to this report is emailed to all enrolled students and WMCC employees. The URL and direct link is included on the web pages of Prospective Students, Current Students, and HR & Employment Information so as to inform prospective students and employees.

Paper copies of the report may be obtained by contacting Martha Laflamme, Vice President of Student Affairs in Room 100 or at mlaflamme@ccsnh.edu or 603-752-1113 x3005. Paper copies are also distributed to the Fortier Library, the Safety Officer, and Human Resources, in Berlin, and to the Littleton Academic Center Coordinator in Littleton.

College Security Authorities

The telephone number for all emergency calls at any phone on campus or at the Academic Center is 911.

In 2014, WMCC employed a part-time security force. Campus officials continue to have significant responsibility for students and campus activities, and are considered to be Campus Security Authorities, including the Vice President for Student Affairs, the Vice President for Academic Affairs, College Facilities management, and directors of student-convening centers including the Library and Academic Advising Center. CSAs are not expected to investigate the crime to determine its validity, but to simply document the incident and provide the information to campus officials for follow-up.

The Behavioral Intervention Team’s (BIT) purpose is to prevent crises before they occur through the provision of outreach and educational programming, consultation, appropriate assessment and referrals; ensure that students whose behavior is of concern are contacted through follow-up processes and have access to the appropriate services so that they have the opportunity to improve their welfare. BIT membership is made up of staff and administration.

Members of Campus Security Authorities, including the campus safety committee and BIT members, as well as other interested individuals, are trained annually in CPR, AED and First Aid.

All facilities personnel, the Library, Main Reception at the Main Campus, and other key locations on the campus are equipped with two-way radios for immediate contact with College officials in the event of an emergency.

**Facility Security and Access**

During business hours, the College will be open to students, employees, and members of the community at large. During non-business hours access to all College facilities is by key, if issued, or by admittance via the Department of Campus Safety and/or Facilities. In the case of periods of extended closing, the College will admit only those with prior written approval to all facilities.

Some facilities may have individual hours, which may vary at different times of the year. Examples are the Library, Food Service and Student Center. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility.

Emergencies may necessitate changes or alterations to any posted schedules. All facilities have security surveys conducted of them. Administrators along with individuals from Campus Safety, Risk Management and other concerned areas review these results and recommend or implement improvements. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications. Additionally, during the academic year, the College Safety Committee meets monthly to discuss issues of pressing concern.

**WMCC & Local Law Enforcement**

WMCC administration and facilities staff maintain a working relationship with the City of Berlin, Town of Littleton, and Town of Conway police departments, fire departments, as well as county sheriff’s departments. A Memorandum of Understanding exists between WMCC and the City of Berlin, the Town of Littleton, and Town of Conway police departments, respectively, and describes the working relationship between the College and local law enforcement. Berlin and Littleton police
departments provide WMCC with crime statistics in support of the Campus Security Report.

**Campus Law Enforcement Authority**

White Mountains Community College Safety and Security officer and College administration have the authority to ask persons for identification and to determine whether individuals have lawful business at WMCC. The WMCC Security officer has the authority to issue parking tickets, which are billed to financial accounts of students, faculty, and staff. The Safety and Security officer does not possess arrest power. Criminal incidents are referred to the local police who have jurisdiction on the campus.

The Safety and Security Office at WMCC maintains a highly professional working relationship with the local Police Departments. All crime victims and witnesses are strongly encouraged to immediately report the crime to campus Safety and Security Office and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

The College recognizes that laws and rules are necessary for society to function and supports the enforcement of law by governmental agencies and rules by officials of the College. All persons on the campus are subject to these laws and rules at all times. The College is public property, and law enforcement officers may enter the campus to conduct business as needed. Additionally, the officers are invited to patrol the campus to assist the College in deterring crime.

The campus safety and security officer has no arrest authority beyond that of an ordinary citizen. The safety officer may make an arrest in the event a felony is committed in his or her presence. However, as a matter of course, serious crimes are the responsibility of the local police. Safety officers are expected to render all possible assistance provided such assistance can be given without significantly endangering the officer or others not involved in the crime.

As noted in the introduction and the emergency policies, WMCC Security is notified of all serious crime on campus, and is immediately notified of major crimes via the telephone or two-way radio. The College relies on the telephone to contact emergency dispatch center for fire and emergency medical needs. All victims are offered an opportunity to report crimes to WMCC Security where appropriate under the MOU.

Annually, the Campus Security office is provided with a summary of all crime occurring on campus. Periodic meetings or telephone conversations allow for exchanges of routine information on a timely basis. Additionally, special needs are communicated between agencies as they occur. Crimes committed at off campus facilities under the control of WMCC will be disclosed in these statistics if they come to the attention of Campus Safety.

**Confidential Crime Reporting**

As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors” and Campus “Professional Counselors”, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are
Security of their personal belongings by taking simple, common sense precautions.

For example, http://www.wmcc.edu/student-incident-report-form, which can be found on the second floor. Campus Safety, dial 0, WMCC within two days of an event. We work closely with local law enforcement. Daily activity logs are maintained and available to the public.

Crime Prevention Programs for Students and Employees

The Campus Safety Staff at WMCC is committed to the safety and wellbeing of all members of the campus community. Of course, a truly safe campus can only be accomplished through the cooperation of the entire college community, which includes students, faculty, staff and visitors.

The Campus Safety Department operates Monday through Thursday 8 a.m. to 9 p.m. and Friday 8 a.m. to 5 p.m. Vehicle and foot patrols are conducted on campus. The Campus Safety officer and College administration do not make arrests, however Campus Safety and College administration do work closely with local law enforcement. Daily activity logs are maintained and available to the public within two days of an event.

WMCC strongly encourages the reporting of crimes, accidents, incidents and emergencies. To contact Campus Safety, dial 0, from any campus phone. Also, direct access to the local police department can be made by using the yellow call boxes located near the elevator on the first floor, and in the hallway on the second floor of the main campus. Online incident reporting is available via the Campus Incident Report Form, which can be found at http://www.wmcc.edu/student-services/campus-safety/campus-incident-report-form

Members of the college community must assume responsibility for their own personal safety and the security of their personal belongings by taking simple, common sense precautions. For example,
although the campus is well lit, any student may feel more comfortable calling college personnel for an escort to their vehicle. Also, consider using the "buddy system" to walk to the parking lot. Vehicles should always be locked and valuables stored out of sight. Any suspicious individuals or activity should be reported immediately.

The College encourages reporting directly to local authorities in situations where the need is obvious, such as a theft you see taking place or a situation requiring immediate medical attention, etc. Notification of College personnel should take place after the emergency authorities are enroute.

Further information on safety and security is provided to students and employees through the WMCC website, posters, brochures and meetings. These are some of the programs that will be provided throughout the year: defensive driving, CPR AED, alcohol and drug awareness, and other educational programming.

**Crime Prevention Resources and Services**

WMCC provides direct service programs to the members of the College community. These programs are dedicated to the prevention of crime on campus; they vary in scope and content, with the emphasis on community involvement. Specific programs dealing with campus safety and security services include the following:

- Security audits of buildings
- Escort service
- Campus lighting checks and surveys
- Alcohol assistance programs
- Sexual Harassment and Rape Prevention Program – Coordinated through the local Crisis Center

**Counseling**

Although the College does not have professional counselors or psychiatric professionals on staff, the college does have referral options available for those students in need of professional counseling. Students can participate in groups to discuss career, and/or academic concerns. Program directors, faculty, and staff are available to provide additional one-on-one consultation and dialogue. Community agencies in the area are available for assistance in finding solutions to individual concerns.

**College Safety Initiatives**

Escort Assistance: Campus security or facilities personnel offer walking escorts to students, faculty and staff to and from the building to their vehicles. This is a free service offered when the College is open. Students, faculty and staff can access this assistance by requisitions in writing or email, by phone, extension 0 from any college phone in Berlin, or in-person requests to the Main Reception desk. The Littleton Academic Center does not offer escort assistance, but encourages individuals to buddy-up, particularly if they are among the last to leave the building at night.
Telephones: All offices, classrooms, labs, the Library and the Bistro on the main campus are equipped with telephones accessible to 911. All offices and classrooms and labs at the Academic Center in Littleton are equipped with phones. Use these telephones in the event of an emergency. Emergency instructions and phone number listings are posted at every telephone.

Alarm Systems: A computer-based electronic system, monitored by an off campus alarm company, immediately notifies campus facilities staff (on campus and off campus) upon activation. These systems are located around the main campus in Berlin and at the Academic Center in Littleton. Alarm systems are configured to denote duress and other types of activations. In the event of a fire alarm activation, the Berlin and Littleton fire departments, respectively, will be notified immediately through a Master Box system.

WMCC Alerts: is a free emergency notification system that will help ensure rapid and reliable mass communication to students, faculty, and staff. WMCC Alerts is designed to communicate with cell phones (text and voice messages), landlines, and e-mail systems, should a crisis, emergency situation or weather closure/delay occur on the WMCC campus.

College Website: Emergency events and notices for closings are available on the College website. Additionally, current and the past three years’ crime statistics are available on the College website. Students, faculty and staff can access and confidentially report a crime or incident on campus or at the Academic Center using the online Crime/Incident Report form found at http://www.wmcc.edu/student-services/campus-safety/campus-incident-report-form

CPR/First Aid/AED training for WMCC faculty and staff is conducted annually in the fall and spring.

NH Violence Against Women Campus Consortium – WMCC is a participant in this state-wide consortium whose mission is to provide a forum where post-secondary institutions in the Granite State can discuss, develop and implement strategies to end violence against women (and men) on their respective campuses.

NAMI NH – WMCC continues to collaborate with NAMI in the area of training and resource information related to suicide warning signs and suicide prevention.

Campus Safety Committee and BIT are composed of members of faculty and staff. These groups meet regularly and notes are taken. (Note: BIT notes are taken and maintained. Due to the nature of some of the discussions, some notes may be vague.)

College Safety Authority and BIT online trainings are conducted periodically throughout each year.

**How to Report Crimes at WMCC**

All faculty, staff, students and visitors to WMCC’s main campus in Berlin or the Academic Center in Littleton can report an emergency by:
• Dialing 911 on any telephone at either location.

• Dialing 911 from the telephone located in the elevators – pick up the receiver and the call will be made instantly.

• Go to any office or classroom to ask a faculty, staff or administrator for assistance.

• Contact a member of College Administration, the Safety Committee or BIT.

College administration encourages prompt and accurate reporting of all criminal matters or incidents that happen at the main campus or the Academic Center in Littleton. Persons who are victims of a crime and do not want to pursue action within the College or criminal justice system are encouraged to consider making a confidential report. Use the on-line Crime/Incident Report form, or with permission from the alleged victim, the Vice President for Student Services can file a report on the details of the incident without revealing identities. The purpose of this confidential report is to comply with the wishes of the victim while taking steps to ensure the future safety of the College community is maintained.

**WMCC’s Emergency Management Plan-Summary**

The purpose of WMCC’s Emergency Management Plan is to establish and document policies, procedures and an organizational structure for response to emergencies at the main campus in Berlin and Academic Center in Littleton. The Emergency Management Plan contains clear strategies and roles played by the College’s Crisis Emergency Management Team during the initial response and throughout the emergency. The Plan will also outline the responsibilities of the Safety Committee whose membership includes representatives from all areas of the institution. Members of the Emergency Management Team include the College President, Vice Presidents, the CFO/Director of Facilities, Plant Maintenance Engineer, Security Officer and Members of the Safety Committee.

Nothing in the plan shall be construed in a manner that limits the use of good judgment and common sense in matters not foreseen or covered by the elements of the Plan. WMCC and any emergency planning shall be subordinate to state and federal plans during a disaster declaration by said authorities.

The goals of the Emergency Management Plan include:

• Provide for the protection of persons and property in the event of a natural, technological, or human imposed emergency or disaster.

• Establish procedures for alerting police, fire, ambulance, administrators, faculty, staff and students.
• Defining roles and responsibilities of WMCC officials and staff.

• Secure coordinated and cooperative response with municipal and county government and emergency services.

**Emergency Notification & Timely Warning Procedures**

**Emergency Notification**

WMCC policies guide emergency response and evacuation procedures, including the use of the College’s Emergency Notification System – WMCC Alerts. These policies and procedures require a member of the college administration to immediately notify the College community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the main campus in Berlin or Academic Center in Littleton, unless issuing a notification will compromise efforts to mitigate the emergency. Emergency messages may also be reported to one or both police departments or emergency responders of the City of Berlin, or Town of Littleton. Emergency messages will include information on what has occurred and instructions on what to do next.

Warning and updates may be distributed to the campus through any one or more of the following mechanisms:

• Blast Email – All Berlin email to all employees; All WMCC Student email to all registered students.

• Fliers posted on bulletin boards.

• College Website – [www.wmcc.edu](http://www.wmcc.edu)

• WMCC Alerts is a free service that automatically sends a brief text message, email or phone message alerting the college community of an emergency situation on the Berlin campus or Academic Center in Littleton. WMCC Students can enroll in this free service by visiting: [https://sis.wmcc.edu/](https://sis.wmcc.edu/).

• Alarm System – Evacuation alarm (fire alarm) and/or a voice alert system on the college paging system will be used when there is imminent danger to the community. This system is designed to not only alert the campus community when there is imminent danger but also, when appropriate, follows-up with voice instructions when applicable.

• Local Media – when appropriate, local area radio, television stations and print media will be notified to assist with notification efforts.

When issued, a copy of a Timely Warning notice will be filed in the corresponding case file. Emergency response and evacuation procedures are tested on a semi-annual basis.
Timely Warning Procedures
The decision to issue a timely warning shall be decided on a case-by-case basis in compliance with the Clery Act. The decision is made by the College Administration or designees, considering all available facts, whether the crime is considered a serious or continuing threat to students or employees and the possible risk of compromising law enforcement efforts.

WMCC issues timely warnings for the following incidents:

- Criminal Homicide
- Sex Offenses
- Hate Crimes
- Aggravated assault
- Robbery
- Burglary
- Motor Vehicle Theft
- Major incidents of Arson

- Other crimes as determined necessary by College Administration, or designee, or the Chief of Police at Berlin, or Littleton police departments. WMCC will not issue timely warnings for the above listed crimes if:
  - The subject(s) apprehended and the threat of imminent danger to the WMCC community has been mitigated by the apprehension.
  - If a report was not filed with WMCC administration or if WMCC was not notified by campus security authorities in a manner that would allow the College to post a “timely” warning to the community. Unless there are extenuating circumstances, a report that is filed more than five days after the date of the alleged incident may not allow WMCC to post a “timely” warning to the community. This type of situation will be evaluated on a case-by-case basis.

Emergency response and evacuation procedures are tested on a semi-annual basis.

Drill Schedule
Announced and unannounced drills of the fire alarm evacuation system, College voice paging system, and WMCC Alerts emergency notification system are held semi-annually. Appropriate follow-through activities to assess and evaluate emergency plans capabilities are conducted; recommendations for improvement are made and implemented where appropriate.

- Facility Fire Drills are held each of the fall and spring semesters. One drill each semester will be held during the day hours (between 8 a.m. and 3 p.m.); the other drill will be held during the evening/night hours (3:01 – 9 p.m.)
- WMCC Alerts emergency notification system testing will be held once per semester: In October & February.
• Voice Paging System is tested during college break periods or times when classes are not in session.

**Emergency Response & Evacuation Procedures**

If there is an immediate threat to the health or safety of students or employees occurring on campus, WMCC will follow its Emergency Notification Procedures. In this instance, WMCC is not required to issue a timely warning based on the same circumstances; however, WMCC will provide adequate follow-up information to the College community as needed.

WMCC will, without delay and taking into account the safety of the College community, determine the content of the notification and initiate the notification system, unless issuing the notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

1. The first person aware of a fire will immediately activate the fire alarm if it is nearby (or send someone to do it) and, if it is safe to do so, send someone to the Main Reception desk to report the location and size of the fire while directing evacuation of the immediate area. As soon as reasonable, a Crime/Incident Report should be completed. http://www.wmcc.edu/student-services/campus-safety/campus-incident-report-form.

2. Faculty will ensure the students in their class evacuate the building or wait in the designated areas for handicapped evacuation. Elevators must not be used. Doors should be closed and left unlocked after exiting, including classrooms and hallways. Faculty are asked to bring class rosters outside and ask students to check in with the instructor at the Emergency Assembly Area.

3. Facilities staff will do a sweep of the building if it is safe to do so in order to ensure everyone is out of the building as they exit themselves, and will assist with the evacuation of handicapped individuals in the case of immediate crisis. See: Evacuation Plan for Handicapped Students and Staff below.

4. Faculty and staff must do their best to ensure that all individuals move away from the building and do not block entrances or driveways that may be used by emergency vehicles and personnel. Evacuees must be careful of entering emergency vehicles.

5. Do not leave campus, doing so will block roadways.

6. Evacuees should gather at the following designated Emergency Assembly Areas:
   **Main Campus – Berlin:**
   South end of the building: Evacuate through the nearest exit and make their way onto the athletic field, away from the building.

   Middle of the building: Exit through Main Entry and walk across the front parking lot to the
grassy area adjacent to Route 16.

North end of the building: Exit through the nearest entrance and proceed to the furthermost area of the north parking lot.

**Academic Center – Littleton:**

Evacuate through the nearest exit and go the parking lot on the east side of the building.

7. Control and order are of prime importance. Speed is secondary. Individuals should evacuate the building without stopping to gather books or other personal belongings. Talk should be kept to a minimum and cell phones should not be used while exiting the building.

8. If an exit is blocked, a faculty or staff member shall instruct the group to proceed to the appropriate alternate route.

9. Once the building is evacuated, no re-entrance may occur until authorized by the Incident Command Post. The Incident Commander will notify each Emergency Assembly Area that it is safe to return to the building.

10. Evacuation Plan for Handicapped Students, Staff and Visitors: Handicapped individuals on the first floor should evacuate with everyone else.

   a. To avoid injuries, a handicapped person should be evacuated after all others when possible.

   b. Elevators must not be used as a means of exit.

   Staff/Faculty are requested to assist handicapped persons in their area to exit the building (first floor) or to the nearest accessible stairwell when evacuation is underway and notify the Incident Commander that there is someone awaiting assistance.

   Fire Department personnel will be responsible for checking these areas and assist with evacuation as deemed appropriate by them. If the Fire Department has not arrived and danger is imminent, the faculty or staff person in the area will make and implement the decision with the handicapped individual regarding whether and how to transport out of the building.

**Safety Alerts & Tips**

At the beginning of each semester, WMCC Safety Alerts and Tips information is distributed electronically to all students and employees. In the event of inclement weather or other events, WMCC may also issue “Safety Alerts” to apprise the College community of safety issues and concerns. Safety Alerts will include safety tips and recommendations to follow so that the College community can make informed decisions about personal safety.
• ALWAYS EXIT THE BUILDING WHEN AN ALARM SOUNDS, unless specifically told otherwise by a College official.

• Familiarize yourself with the building and its exits

• Know where fire pull alarms and extinguishers are located.

• Review safety/evacuation procedures.

• Slip precautions (icy/snowy weather)/Serious influenza outbreaks (National CDC warnings)

• Pair-up with someone in your class so you can watch out for one another during an evacuation; If you are unable to use the stairs, speak with someone in each of your classes who may act as a “buddy” for you in the event of an emergency.

**Daily Crime Log**

The College keeps a record of the incidents of crime in a Daily Crime Log. The Crime Log contains records by the date that the incident was reported and includes information on all crimes and other serious incidents that occur on campus, in a non-campus building or property, or on public property adjacent to the main campus or Academic Center in Littleton.

The Daily Crime Log is available for public inspection in Berlin in the main reception office (security office) and in the Office of the Chief Financial Officer (CFO). The Daily Crime Log includes the nature, date, time and general location of each crime reported to the College, as well as the disposition of the complaint, if this information is known at the time the log is created.

The Security Officer or designee posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.

**How WMCC Prevents Crimes**

Members of the College community must assume responsibility for their own personal safety and the security of their personal belongings by taking simple, common sense precautions. For example, although the campus is well lit, any student, faculty or staff member can contact a member of the College Facilities staff to escort them to their vehicles. We also encourage use of the “buddy system” to walk to the parking lot. Vehicles should be locked and valuables stored out of sight. Any suspicious individuals or activity should be reported to a campus security officer, the VP of Student Affairs, the Chief Financial Officer or a member of Administration.

Potential or actual criminal activity and other emergencies can be reported by anyone on the
main campus or at the Academic Center. The College encourages reporting directly to the local authorities in situations where the need is obvious, such as a theft or a situation requiring immediate medical attention. College personnel will be notified after emergency services are on their way to the campus.

WMCC expects students to be mature, honest and responsible members of the College community. Any behavior that infringes upon the rights, safety, property and privileges of another person or which impedes the educational process is unacceptable. In addition, any behavior or activity that violates state, local or federal law is unacceptable and will not be tolerated. For further information, refer to the Student Code of Conduct policy located in the Student Handbook or WMCC website: http://www.wmcc.edu/student-services/student-handbook.

Disciplinary issues are the responsibility of the Vice President of Student Affairs in conjunction with the Vice President of Academic Affairs, and the Judicial Committee of the College. The Vice President of Student Affairs, or designee, may take administrative disciplinary action when necessary to ensure the safety of students, faculty and staff, and to ensure the continuation of the educational process.

**WMCC Procedures for Responding to Sexual Assault**

This section outlines the procedures each campus follows in responding to reports of domestic violence, dating violence, sexual assault, or stalking. It assumes that the incident occurred on or near campus (at an official College function or on College property). However, many of the procedures and services described here also apply if the incident happens off-campus or if the individual reporting the assault is not a student.

When an incident is reported to any WMCC employee, the person to whom the report is made shall notify campus security and/or the College President or designee, who will then inform the student of her or his option to notify local law enforcement authorities. The student shall also be informed of the importance of preserving evidence required for proof of possible criminal activity, and of the availability of the institutional personnel to assist the student in notifying the authorities of the incident, upon the student’s request. Finally, the student shall also be informed of the existing on- and off-campus counseling, mental health, and other student services.

If the student is willing to report the incident to campus security, she or he is informed that physical evidence can be collected at the same time as medical care is provided, but that medical evidence for a criminal prosecution cannot be collected without a report being made to the police.

Although the student is not required to notify any law enforcement authority regarding the incident, the person to whom the report is made shall contact campus security to inform them that an incident of domestic violence, dating violence, sexual assault, or stalking may have occurred. Campus security in turn shall notify the College Title IX Compliance Officer, who is responsible for coordinating the campus’ response to the incident. Licensed mental health workers, who learn about sexual assault as part of their professional roles, are required to
maintain confidentiality. Hence only anonymous summary statistical information will be reported. The College Title IX Coordinator will act as liaison to System Title IX Coordinator to assist in system-wide tracking and monitoring of incidents of sex discrimination and sexual misconduct.

After campus security is contacted, a security officer or designee, will be dispatched to take the report. The student may request a male or female individual to take the report, and this request will be accommodated whenever possible.

If the student is unwilling to report the matter to the police or to be transported to the hospital by the police, she or he is then urged to seek assistance immediately for coordination of medical care and assistance, counseling, and other available support alternatives.

The student may request changes in her or his academic schedule, or in that of an alleged assailant, after the student has made a report of an assault, and the campus shall grant any reasonable request for such change.

When a student reports being a victim of domestic violence, dating violence, sexual assault, or stalking by another student, the College will conduct an investigation and determine if College policies were violated. Depending on the circumstances, the College may impose interim protections and remedies (e.g., an interim suspension) according to the Student Code of Conduct during the College’s investigation of the domestic violence, dating violence, sexual assault, or stalking allegations.

At the conclusion of its investigation, the investigator will forward findings to the Judicial Committee. After receiving the results of the investigation, the Judicial Committee will determine whether or not to charge the responding student with a potential violation of the Student Code of Conduct, and communicate that decision in writing.

**WMCC Procedures for Campus Disciplinary Action in Cases of an Alleged Sex Offense**

When student conduct charges are brought against a student by the College, the case shall be resolved according to the CCSNH Student Code of Conduct and Judicial Process.

All incidents reported regarding domestic violence, dating violence, sexual assault, or stalking are forwarded to the VPSA who will identify the appropriate investigator to complete the investigation. The conduct process is suspended until the conclusion of the investigation.

A prompt, fair, impartial investigation and resolution will be provided and the CCSNH incident resolution process must be conducted by officials who receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

The responding individual is entitled to due process and will be given notice and a full opportunity to respond to the allegation made against her or him. Both the reporting student and responding student can have an advisor of choice to assist them throughout the process and *is entitled to information about campus policies and procedures*
that will be followed to address the issues.

In cases involving allegations of domestic violence, dating violence, sexual assault, or stalking, both the reporting student and responding student will *receive simultaneous written notice of the outcome* of the CCSNH resolution process.

In cases involving allegations of domestic violence, dating violence, sexual assault, or stalking, both the reporting student and the responding student have the *right to appeal* an administrative decision or formal hearing outcome.

- Please note that all incidents reported regarding domestic violence, dating violence, sexual assault, or stalking are forwarded to the Vice President of Student Affairs for investigation and the conduct process is suspended until the conclusion of the investigation.

Missing Student Notification Policy and Procedures

If a member of the WMCC college community has reason to believe that a student is missing, all possible resources and efforts will be made to immediately locate the student within WMCC jurisdiction to determine his or her state of health and well-being.

The Higher Education Opportunity Act of 2008 (HEOA) requires institutions participating in a Title IV federal student financial aid program, and maintain on campus housing facilities, to establish effective missing student notification policy and procedures. Although HEOA requires this policy be established for residential campuses and WMCC is non-residential, within legal limitations, this protocol may also be applied to WMCC within the boundaries of the campus community.

While the campus security department and College administration do not have the primary responsibility to investigate a missing student incident involving a student living off-campus, College staff and campus security will assist local authorities in their investigation of an off-campus missing WMCC student.
For purposes of this policy, a student is defined as missing once College security and/or administration are notified and initiate a formal internal missing person investigation. It is the policy of WMCC to actively investigate any report submitted that describes a missing student incident within the WMCC community. The College defines a student to be any person enrolled in any class or program of the College, full or part-time.

**WMCC Drug & Alcohol Policy**

**Alcoholic Beverages and Controlled Substances**

The possession, sale or the furnishing of alcohol on the WMCC campus is governed by CCSNH Alcohol Policy and New Hampshire state law. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by WMCC. Violators are subject to College disciplinary action, criminal prosecution and fines. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of the CCSNH Alcohol Policy for anyone to consume or possess alcohol in any public or private area of campus not specifically allowed by CCSNH policy. Organizations or groups violating alcohol/substance policies or laws may be subject to sanctions by the College. In addition, CCSNH and its colleges have an interest in off-premise events held in their names. If alcohol is used illegally or inappropriately at such events, CCSNH or the college may take steps to protect its interests including, but not limited to, instituting disciplinary action against an employee or student.

**Domestic Violence in the Workplace Policy**

In conjunction with all public agencies and institutions in New Hampshire, WMCC abides by the *Domestic Violence in the Workplace Policy*. This policy addresses acts of domestic violence perpetrated by or against any employee while in state offices, facilities, work sites, vehicles or while conducting state business and specifically, that these acts will not be tolerated. This includes the display of any violent or threatening behavior by a perpetrator (verbal or physical) that is likely to result in physical or emotional injury or otherwise places a victim's safety or productivity at risk. This policy addresses the particular concerns of domestic violence and its impact on the workplace.

Any employee, student or vendor who on WMCC property threatens, harasses, or abuses someone at the workplace, or from the workplace, using state resources such as work time, workplace phones, fax machines, mail or other means is subject to corrective or disciplinary action, up to and including dismissal. This policy shall be interpreted consistently with the policy prohibiting sexual harassment.

All employees need to take seriously the problem of domestic violence and its effects in the
WMCC will take all reasonable measures to foster a safe working environment for all employees. Any employee can disclose that he or she is a victim or perpetrator of domestic violence to the State of New Hampshire Employee Assistance Program at 1-800-852-3345, extension 4336 or 271-8916. The crime statistics reported above include the WMCC Main Campus in Berlin, and the Academic Center in Littleton, for the 2014 calendar year. WMCC began offering classes in Conway, at Kennett High School, in September of 2014. Because the college’s presence there does not include the entire 2014 calendar year, crime statistics are not required.

A paper copy of the annual crime statistics report that was sent electronically to the Department of Education can be obtained at the WMCC Student Services office. The crime rate is calculated...
by dividing the number of incidents reported by the campus population. For definitions of above
cri mes and other information, please visit the Security on Campus, Inc. Web Site at:

* Violations are on campus and subject to College disciplinary action/judicial referral.
** Crimes in which victims are selected because of actual or perceived race, gender, religion,
sexual orientation, ethnicity or disability.
