BUILDING COMMUNITY

White Mountains Community College

YOUR INVESTMENT*
LEVELS OF GIVING

In contributing to WMCC's future, our generous benefactors will become part of WMCC history. Givers will be featured on our donor wall in the new advanced technology building in Littleton. This state-of-the-art custom design feature will permanently acknowledge the generosity of those, who through their contributions, will make progress possible.

White Mountains Community College
BUILDING COMMUNITY INITIATIVE

OUR SUPPORTERS KNOW
THE WMCC DIFFERENCE

At White Mountains Community College, we take a holistic approach to educating our students by providing high-quality instruction while also tackling food insecurity, providing access to transportation, and setting our learners up for career mobility. At WMCC, we take a personalized approach with all students, assuring a customized path to success. We know our investment in them is an investment in the North Country.

DR. CHARLES LLOYD
WMCC President

FUTURE FOCUSED

Offering flexible options for upward mobility through 42 degrees and certificates in Berlin, Littleton, and North Conway, as well as online

COMMUNITY ROOTED

Meeting community and workforce needs through customized training, talent development, career-ready credential programs, enrichment, and summer youth programs

STUDENT CENTERED

Leading all community colleges in the Northeast in student program completion through hands-on, supportive onboarding and advising

*FOR EVERY DOLLAR OF PUBLIC MONEY INVESTED IN COMMUNITY COLLEGES, TAXPAYERS RECEIVE A CUMULATIVE VALUE OF $6.80 (12.2% RETURN) OVER THE COURSE OF STUDENTS' WORKING LIVES.
