

Fall 2024

FROM: Travis Giles and Greg Worthen
Culinary and Baking Professors

SUBJECT: Required Culinary Arts Uniforms and Knives

TO: Freshmen Culinary Arts and Baking & Pastry Arts Students

There is a standard uniform required for all students enrolled in the Culinary and Baking and Pastry Arts program.

Each student is required to wear the following full uniform to every lab. A minimum of three (3) complete uniforms must be obtained.

1. White double breasted chef jacket – **embroidered with school White Mountains Community College logo in black**
2. Black pants (no stretch pants)
3. Black Skull Cap
4. White bib apron
5. Fully enclosed black oil resistant shoes

Chef jackets come with embroidery of White Mountains Community College school logo and can be ordered through the company listed below. Students need to identify themselves as **White Mountains Community College culinary students** and ask for the logo to be embroidered on the left side of the jacket above the pocket and their name on the right side of the jacket. The name embroidery must be black. When ordering from Happy chef, the jacket item # is 411 long sleeves and the Classic Skull Cap Black item # 590, Classic Bib Apron item # 1405 you can either call or order online at happychefuniform.com – there will be no exceptions for the jacket, skull cap and aprons they must be ordered from happy chef. A minimum of three complete uniforms must be obtained. **To avoid back-orders, uniforms should be ordered as soon as possible. Below is an example of the jacket logo if you are trying to find it on their website.**

Chef's jackets with embroidery, bib aprons as well as classic skull cap are to be ordered from:

- Happy Chef Uniforms: happychefuniforms.com or 800-347-0288

A professional knife set will be included as part of the culinary lab fees and is manufactured by Mercer Tool.

For students in the Baking and Pastry Arts Program there is an additional tool kit that will be included in the senior Baking and Pastry Arts lab fees. This additional tool kit, also from Mercer Tool, is sold to the students again with a significant discount from list price.

CULINARY ARTS DEPARTMENT POLICIES:

INSURANCE: Due to the nature of our program, we strongly suggest students have insurance.

PERSONAL

HYGIENE: Students will be clean and exercise proper hygiene.

UNIFORMS: Students are required to wear full whites in all labs.

Full Whites – Classic Skull Cap Black
Chef's double-breasted jacket, white, long sleeves.
pants, black (no stretch pants)
Aprons bib style

Shoes - Only fully enclosed black oil resistant shoes will be permitted.

Whites will be clean and wrinkle free. Any shirt worn underneath the jacket must be white and no-show through lettering. Chef's jacket must be buttoned to the top.

JEWELRY: Jewelry may be worn if it does not promote a safety hazard. Examples of safety hazards are long dangling earrings and other jewelry that could get caught on something and fall off. Watches must be removed from the wrists and if rings are worn you are required to wear gloves.

HAIR: All hair will be restrained. Any hair, which does not fit under hat, must be restrained with a hair net, braided, or double banded.

BEARDS &

MUSTACHES: Beards and mustaches will be neatly clipped and clean and shall be no more than 1/2" in length.

HANDS: Any person having an open cut or wound on their hands will be required to have the wounds dressed and MUST wear vinyl or latex gloves while working in the food area. Fingernails will be closely trimmed, neat and clean. Nail polish and false fingernails are not permitted.

SCENTS: No student will be permitted to class wearing any perfume, cologne, after shave lotion or any other scented liquid or cream.

NOTE: Any student turned away from lab for any infraction of the above policy will not be allowed lab make-up. The lab instructor has the option of amending any of the above at his/her discretion.
