

Dear “Golfing the Gap” Tournament Sponsor,

It is our pleasure to invite you to the **3rd Annual WMCC “Golfing the Gap” Tournament**, benefitting WMCC Gap Scholarships and student support. Our next tournament will be held on **Thursday, June 24, 2021**, at 9:00 a.m. at The **Maplewood Golf Club** in Bethlehem, NH. Our goal this year remains the same: fun, fundraising, and friend-raising. The day is just as much about building community relationships as it is raising money to support student success.

White Mountains Community College is dedicated to offering quality education and supporting students with their goals of entering high-demand careers or transferring to four-year institutions. With comprehensive programs in Welding, Nursing, Culinary Arts, Criminal Justice, Diesel Heavy Equipment Technology, Business, Liberal Arts, and many more, our students are offered a variety of options for their education.

The proceeds from the event will target several identified needs at the College including educational technology and student support scholarships. The goal is to bridge the gap between what students can afford and what they owe, highlighting our mission of affordability and accessibility, as even the smallest of balances can hinder a student’s ability to progress to completion. We hope you will consider supporting the tournament and our students again this year.

The Maplewood Golf Club, designed by Donald Ross, a prolific golf course architect, reflects all of Donald Ross’ creativity. “Beautifully laid out and recently renovated, The Maplewood is one of the few courses in Northern New England that remains true to the architect’s original vision.”

Additional information about sponsorships, silent auction donations, and registering for the tournament can be found on the WMCC website. You may also contact our Golf Tournament Committee at (603) 342-3062 or wmccgolf@ccsnh.edu, or visit our Facebook event page at WMCC “Golfing the Gap” Tournament.

We look forward to seeing you on the green!

Sincerely,

Charles Lloyd, Ed.D.
