

## Selective Service Registration - Instructions

---

The Selective Service reported that you have not registered. You are required to confirm your selective service registration before we can move forward with processing your financial aid. Please go to the following website to confirm or register with selective service - <https://www.sss.gov>

### Confirm Selective Service Registration

Go to the Selective Service System at <https://www.sss.gov>

- Click on the Check Registration button
- Click on Verify Now button
- Complete the registration search
  - Last Name
  - Social Security Number
  - Date of Birth
- Submit - once you submit you will see your Selective Service Number, Name and Date of Registration
- Click Print Letter
- Sign the letter and mail to the financial aid office

### Register with Selective Service

If you were unable to confirm your registration, you may need to register.

Go to the Selective Service System at <https://www.sss.gov>

- Click Register
- Click Register Online
- You will need the following information to complete the registration online
  - Full name
  - Date of Birth
  - Gender
  - Social security number
  - Currently mailing address
- Once you receive selective service acknowledgement letter, sign and mail to the financial aid office

You can find additional information on the Selective Service System website to help answer any questions you may have.
