

Credit for Prior Learning Request Form

Credit for Prior Learning will not be considered for courses students have already completed or for courses in which students are currently enrolled. It is the student's responsibility to consult the Credit for Prior Learning Guide to determine eligibility. Any fees must be paid at the time this form is submitted.

I am requesting a credit for prior learning evaluation through the following method (Place an X in the Box):

Credit by Credential
Action Required: Send official record of professional license, industry certification, or Joint Services Transcript to Admissions and complete Courses Requested for Evaluation of Credit Earned section (below).

Credit by Examination
Action Required: Send official score report to Admissions and complete Courses Requested for Evaluation of Credit Earned section (below). **NOTE:** If you are requesting a **Challenge Exam**, place an X here: Additional Action Required for Challenge Exam: Review CBE direct equivalencies, meet with faculty advisor, make arrangements for the assessment if approved, and pay applicable fees.

Credit Through PLA Portfolio
Action Required: Meet with faculty advisor, register for PLA Portfolio course (NCLA 100W), complete the PLA portfolio (including ALL items in the PLA Framework), and pay applicable fees.

Credit Through Paraprofessional Educator Fast Path
Action Required: Send any official records of prior transcripts to Admissions, complete Courses Requested for Evaluation of Credit Earned section (below), register for Ed Fast Path course (NCED 101W), complete the assessment for each course, and pay fees.

Courses Requested for Evaluation of Credit Earned:
