SERVICES

If you are a student with a disability, or who suspects that you might have a disability, and are planning to enroll in the Licensed Nursing Assistant program, you may be eligible for a Reasonable Accommodation Plan (RAP) to assist you in accessing your LNA classes.

If you have questions about the accommodations process or want to apply for accommodations for the LNA classes, please contact the Accessibility Services Coordinator as soon as possible, preferably prior to the start of the program to ensure that your RAP can be in place as you begin the classes. College accommodations are not retroactive and are not in effect until you, the student, has shared your plan with and discussed your plan with your instructors.

Are you eligible for a Reasonable Accommodation Plan? Yes No

To apply for college accommodations, please fill out and submit a "Self-Referral for Support Services" form to the WMCC Accessibility Services Coordinator, along with the documentation of disability information detailed at the top of the self-referral form. The testing done to support your most recent IEP or 504 and/or documentation from a physician or mental health provider (must be within 3 years' current) will be reviewed by the Accessibility Services Coordinator to determine whether you are eligible for accommodations for college classes. You, the student enrolling in college classes, must also contact the Accessibility Services Coordinator to set up a meeting (in-person, virtual or by phone) to discuss your learning strengths and needs. You will then work with the Accessibility Services Coordinator to develop a Reasonable Accommodation Plan (RAP) which you will sign, then share with your college class instructors. **Lynne Bacon** is the Accessibility Services Coordinator, and she can be reached via phone at 603-342-3059 or via email at lebacon@ccsnh.edu

- D.) Disciplinary action against a nursing or nursing assistant license.
