FIND YOUR PATH  CHOOSE COMMUNITY

Nestled among the White Mountains of New Hampshire, White Mountains Community College (WMCC) provides personalized pathways for your education and career. WMCC is student-centered, providing opportunities for success, while enriching lives and communities through quality education and valued partnerships. WMCC is fully accredited by the New England Commission of Higher Education (NECHE).

Serving northern New England from campus locations in Berlin and Littleton, WMCC is a key educational resource. WMCC focuses on providing an affordable, accessible, high-quality education to help students achieve their educational and professional goals. Associate Degree, Certificate, Workforce Training, and Early College opportunities are available to assist students in preparing for their future.

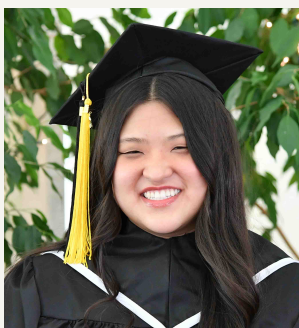

Founded in 1966 with a promise to make higher education accessible, we've spent the last 60 years helping people build skills, reach personal goals, and move confidently into meaningful work. Our legacy is measured not just in time, but in the students supported, careers launched, and communities strengthened. As we celebrate this milestone, we honor the students, faculty, staff, and partners who made it possible and continue to shape what comes next. Visit us to learn more about our programs and services.
